Edinburgh Postnatal Depression Scale (EPDS)

Since you are either pregnant or have recently had a baby, we want to know how you feel. Please place a **CHECK MARK (✓)** on the blank by the answer that comes closest to how you have felt **IN THE PAST 7 DAYS**—*not just how you feel today*. Complete all 10 items and find your score by adding each number that appears in parentheses (#) by your checked answer. This is a screening test; not a medical diagnosis. If something doesn't seem right, *call your health care provider regardless of your score*.

and development. Search by age.

Your Changing Baby

- Put baby to sleep on their back when drowsy at the same time each day for naps and nighttime.
- Encourage active play by offering mirrors and colorful toys to hold.
- Continue tummy time- put your baby on his tummy when awake and you can watch.
- Read to your baby often.

Safety

- Use a rear-facing car safety seat in all vehicles.
- Never put your baby in the front seat of a vehicle with a passenger air bag.
- Keep your car and home smoke free.
- Keep hanging cords or strings away from your baby.
- Keep a hand on your baby when changing clothes or the diaper to prevent falls
- Never leave your baby alone in bathwater, even in a bath seat or ring.
- Do not use a baby walker.

Feeding

- You may begin to feed your baby solid food when your baby is ready.
- Some signs your baby is ready for solids are being able to open mouth for a spoon, sitting with support, good head and neck control, and being interested in foods you eat.
